

**Shannon Ebert, Perkins HS
Visual Media Tech, Class of 2013**

- Earned 62 free college credits while at EHOVE
- Attending University of Findlay to earn an MBA
- Plans to work in marketing and open her own business

“Going to a career tech school has enabled me to meet new friends, earn a quality education, and open boundless opportunities.”

**Jacob Bodi, Sandusky
Medical Assistant, Adult Education**

- Reached his goal and enjoys his new career as a Medical Assistant
- Completed an externship and clinicals which gave him additional experience in the field

“EHOVE is all about what skills you need, learning those skills and being able to apply them at the job.”

**Rick Bryant, Monroeville HS
Auto Tech, Class of 1990**

- Co-owns a successful auto shop in Milan
- Became an ASE Certified Master Technician
- Is active in community service projects

“If you decide you want to move forward, EHOVE helps you do that.”

**Kevin McGraw, Huron
Firefighter/EMT, High School & Adult Education**

- Attended EHOVE’s High School and Adult Education Firefighter/EMT programs
- Also now is part of the program teaching staff at EHOVE

“The skills were a perfect jumpstart to being a firefighter/paramedic. Getting those skills right out of high school had me prepared to get going early.”

**Nicole Bruck, Huron HS
Forensic Science, Class of 2011**

- Earned over 30 college credits while at EHOVE
- Is attending Tiffin Univ. to pursue goal of being a Behavior Analyst with the F.B.I.

“I think EHOVE really prepares everybody for whatever they want to do in life.”

**Cody Hicks, New London HS
Electrical Tech, Class of 2012**

- Interned at NASA Plum Brook while at EHOVE
- Is now working in an IBEW apprenticeship and will receive many free college credits

“With what they taught me at EHOVE, it gave me a big jumpstart into my actual future. EHOVE was invaluable to me.”

**Tracy Leverknight, Wakeman
Massage Therapy, Adult Education**

- Started own business after EHOVE training in massage therapy field
- Gained real world experience and business connections through her EHOVE training

“EHOVE provides thorough training. I think that they prepare you for what lies ahead.”

**Rick Bodey, Bellevue HS
Computer Network Tech, Class of 2004**

- Is Chief Technology Officer at a successful tech company
- Later earned industry certifications through Microsoft and Google and an MBA in college

“In this economy, you need skillsets and people are looking for what EHOVE is offering.”

**Johnnie Sloan, Sandusky
Professional Culinary, Adult Education**

- Has worked in his field as a chef at resorts and large restaurants
- Tested out of many classes at the Art Institute because of EHOVE training

“The Adult program targets areas that the community needs, and then puts you out there and helps you find jobs in those areas.”

**Matt Gercak, Vermilion HS
Computer Network Tech, Class of 2012**

- Earned industry certifications and college credit while at EHOVE
- Feels that EHOVE helped him build a strong work ethic

“My mom saw all the benefits of coming to EHOVE-you get the training, help and college credits.”
